NEED TO CLARIFY YOUR  
CAREER DIRECTION?**

**OR ARE YOU IN 6<sup>TH</sup> YEAR  
AND JUST ABOUT TO COMPLETE  
YOUR CAO FORM?**

# CAREER GUIDANCE & EDUCATIONAL PLANNING WORKSHOP

CTA career workshops support second level students in exploring their career options and making informed decisions about subject choices, higher education, alternative pathways and future employment. A recent Higher Education Authority study shows that almost one-in-six students drop out of all third-level courses before 2nd year which proves just how important it is that students receive appropriate career guidance as early on in the process as is possible before they set out on a career pathway. CTA career workshops will run from 3rd-5th January 2018 for 6th year students.
