UNDERSTANDING BASIC IRISH SIGN LANGUAGE

8 WEEK 'TASTER' COURSE

NEXT COURSE STARTING XXTH XXXXX 2018
(REGISTRATION CLOSING DATE XND XXXXX 2018)

CTA is now offering a course in Basic ISL. This course gives a concise overview of ISL, basic signs and instructions. The Student will also gain an understanding of the problems and barriers that people who have a hearing loss can experience. It will also outline basic strategies hearing people can use to communicate respectfully and effectively with deaf people. This course is ideal for anyone who has never done sign language before but has a keen interest in understanding basic sign language. It is also suitable for anyone with an interest in ISL who would possibly like to further their studies in this language to a proficiency level. As a Taster course, it will give students an idea of how far they would like to progress their skills in this area. Hence, this course facilitates a natural progression to the Accredited Course.
